 If yes, please list below:

Name of Institution	Dates Attended

- Students must request academic transcripts from each institution attended.
- Your HOPE eligibility cannot be evaluated without all prior official transcripts.
- Please note that all degree level work will be evaluated, even if it does not transfer into your program.
- Once your eligibility is evaluated, you will be notified by mail or e-mail.
- Students must be evaluated before the HOPE scholarship is approved.

The calculation of your HOPE SCHOLARSHIP CUMULATIVE GPA is determined by the following:

- All degree level credit hours attempted after high school graduation at all post secondary institutions the student attended and their corresponding grades must be included in the HOPE cumulative GPA, regardless of age, transferability, or withdrawal status.
- Your HOPE Scholar eligibility will be determined once the grades are available for the quarter after you have attempted 45, 90, or 135 credit hours.
- You must have a 3.0 GPA or better at the end of the quarter in which you reach your 45th, 90th, or 135th attempted credit hour to be eligible for the HOPE Scholarship. *This GPA only includes hours which are degree level or which are transferable into your requested degree program.*
