Commercial and Structural Pest Management Testing

In cooperation with The Georgia Department of Agriculture, we are offering computerized commercial and structural pesticide examinations for the 2007 calendar year. Applicators can take the exam as often as needed without waiting for a GDA proctored exam date. Additionally, applicators will receive their exam scores instantly. Applicators must register for testing on-line at <https://www.gapestexam.com>.

State Certified Electrical and Mechanical Maintenance Assessments

Maintenance assessments measure core skills in mechanical and electrical areas. An individual training plan can be developed which allows for the maximum benefit of time and training dollars. The maintenance assessments can be tailored to fit your company's core skills that are required to perform the job tasks.
