BECOME AN FAA CERTIFIED
DRONE PILOT

FAA FAR 107 Drone Pilot Training & Certification Course

ABOUT THE COURSE

Through a partnership with CrossFlight Sky Solutions, Augusta Technical College is conducting an FAA Part 107 Drone Pilot Certification Program. This instructor-led class will cover FAA rules and regulations, airspace classifications, risk assessment tools, aeronautical decision making, weather and much more. Also included is a UAS Career Path portion, as well as hands-on flying instruction. Learn what you need to pass your FAA Part 107 exam and become an FAA Certified Commercial Drone Pilot.

Class begins November 5th – REGISTER BY OCTOBER 22!

Augusta Technical College
3200 August Tech Drive, Bldg. 600
Augusta, GA 30906

*To register for the class, or for more information, please contact
Laura Giddings at 706-771-5705 or lgiddings@augustatech.edu*
