

TEAS Exam

PLEASE READ BEFORE REGISTERING FOR THE TEAS ASSESSMENT

During the COVID-19 pandemic, the TEAS will ONLY be proctored via a third-party online proctoring platform. This will allow Augusta Technical College employees and students to remain in their safe shelter.

The platform to be used is Proctorio. There are technical requirements that your computer or laptop must meet. **NO IPADS, TABLETS OR PHONES ARE TO BE USED!** It is imperative that you read the TEAS Student Quick Start Guide. Please take it slow and read everything. Please click on the following link to view the guide.

To complete all the set-up requirements for Proctorio, you will be assigned a “demo” session prior to your assessment date. All registered students must complete the demo prior to your assessment date or you will not be allowed to take the TEAS assessment.

During your demo, you will follow the Student Quick Start Guide. It will direct you step by step in establishing Proctorio on your computer or laptop and verifying the technical requirements. If there is an issue installing the Proctorio Chrome extension, you will contact ATI Support at 800.667.7531.

After you complete registration you will receive an email from Augusta Technical College with all pertinent information for your demo session and actual assessment.

Creating an ATI Account:

All individuals preparing to take the TEAS test must create an ATI account. You may create an account by going to ATI’s website at www.atitesting.com and click on create a new account then follow the screen prompts. You only need to register once. You will need your ATI username and password to take an online test.
