

This training does not go on your transcript, and there is no cost to take it.

badge is a two-hour training course located in Blackboard. You must register for courses before you can take Badge Training. It is recommended to complete Badge Training before the semester starts but at least by the first week of the semester.

TO GET REGISTERED:

Go to augustatech.blackboard.com.

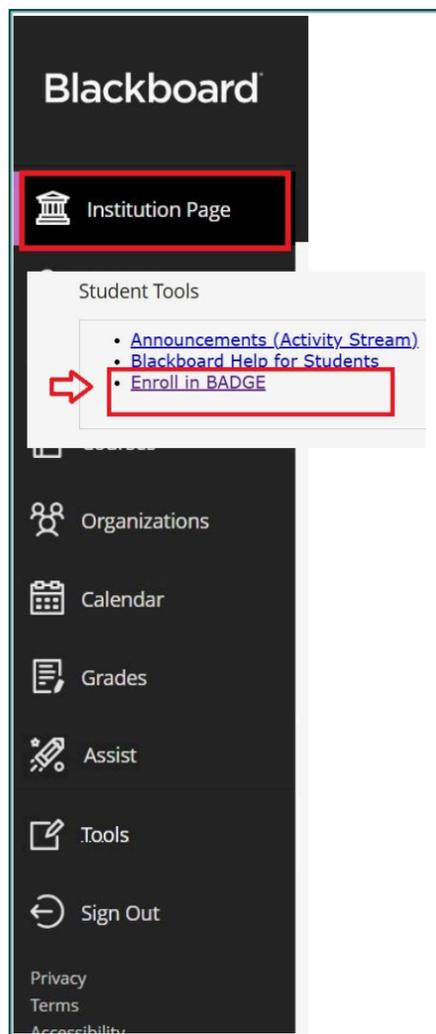

After you log into Blackboard with your student email and password, select Enroll in Badge from the Institution Page.

Then, select Submit under the Self Enrollment link.

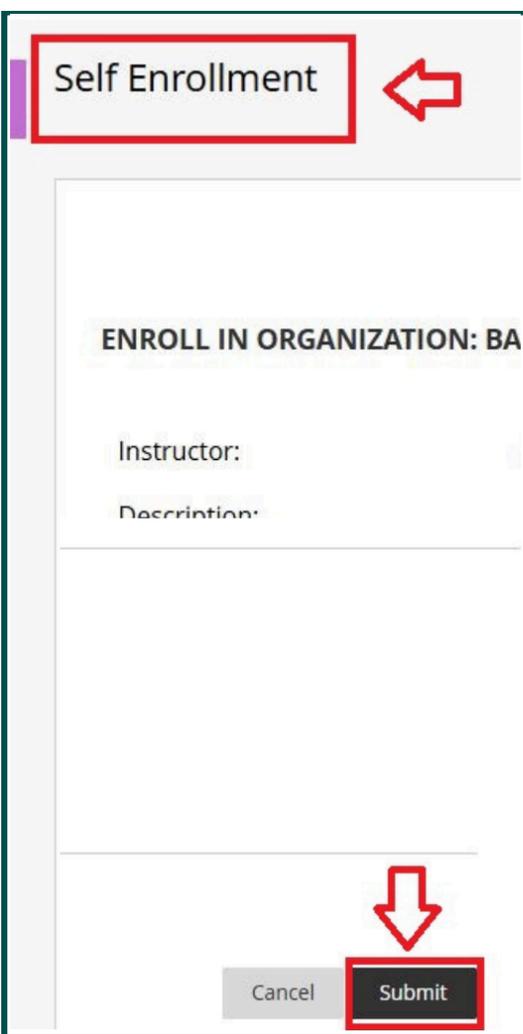

Once you've been registered for the course:

1. Go to augustatech.blackboard.com and log in with your student email and password.
2. Click on Badge_Training in your "Organizations" list and begin working through the course.
3. Check under the Achievements tab in Badge training for your Earned Badge Award.
