

2024 Georgia Cyber Innovation Summit

Join us for the 2024 Inaugural Georgia Cyber Innovation Summit!

This summit will include an opening reception on the evening of May 14th followed by a full day of immersive activities and presentations on Wednesday, May 15th. The event will be hosted at the state-of-the-art Georgia Cyber Innovation and Training Center in Augusta.

The summit boasts an impressive lineup of speakers, including high-profile CIOs, CISOs, government officials, and experts from renowned organizations. With an expected large turnout, the summit promises unparalleled networking opportunities. Attendees will engage in discussions on the latest trends, share best practices, and explore potential collaborations.

The registration fee for professionals is \$50.00. College students can attend for free. Student ID's will be verified upon entry. Seating is limited, and we encourage you to register today. Get a sneak peek at the program's itinerary below!
