Last Reviewed: June 23, 2005

Adopted: April 2, 1987

POLICY:

The Technical College System of Georgia [TCSG] and its constituent technical colleges shall permit qualified employees to participate in the flexible benefits programs permitted other State of Georgia employees.

The programs may include legal, dental, life, disability, and vision insurance; deferred compensation programs and so-called flexible spending accounts that permit certain health related and child care expenses to be paid by employees out of pre-tax dollars.

Any employee who works at least thirty (30) hours a week and is expected to work for at least nine (9) months is eligible for the Flexible Benefits Program. Some employees, such as temporary, contingent, and student employees, however, are not eligible.

The employee may select the flexible plans they wish at the time of their appointment or during the annual open enrollment period.

Employees of technical colleges upon conversion from Local Board to State Board control shall select their benefits in accordance with state law.

Employees may also participate in Board approved Tax Shelter Annuity Plans. Currently, these include those offered by Georgia Merit System, Travelers' Insurance and VALIC.
