

POLICY: 3.1.4.

Accounting System

Revised: April 6, 2006

Last Reviewed: May 15, 2025

Adopted: September 4, 1986

POLICY:

The System Office and Technical Colleges shall use an accounting system supported by the State of Georgia. The financial statements produced by the accounting system shall be the official financial records of the System Office and Technical Colleges. Entries into the accounting system may be summary-level transactions supported by various subsidiary ledgers and reports.

The System Office and the Technical Colleges shall process their accounting transactions per the State Accounting Office and the Department of Audits and Accounts rules and regulations and generally accepted accounting principles.
