Staff Development

Revised: September 28, 2001

Last Reviewed: May 19, 2025

Adopted: July 1, 1986

POLICY:

The Technical College System of Georgia encourages employees to develop and improve their skills and knowledge. A variety of resources for training and educational opportunities are available to employees who need additional training to improve operations, efficiency, and effectiveness and to expand and enrich the scope of programs for which the employees are responsible.

All employees can participate in staff development activities upon obtaining the appropriate approval. The policy shall be administered following the System's Statement of Equal Opportunity.
