

POLICY: 5.1.3

Technical Advisory Committees

Revised: September 7, 2006

Last Reviewed: July 02, 2026

Adopted: May 7, 1987

POLICY:

The State Board, in consultation with appropriate agencies and organizations, shall establish a limited number of technical committees to advise the Board on developing curricula to address labor market needs.

The Commissioner or designee shall:

- 1) Define the purpose, objectives, and criteria for membership on technical committees.
- 2) Select and appoint members to technical committees.
- 3) Establish procedures for the operation of technical committees to include roles and responsibilities, terms of appointment, and process for replacement of members, and
- 4) Establish steering committees, as needed, to provide coordination of two or more technical committees and establish procedures for their selection, appointment, terms, replacement, roles, and responsibilities.
