

## Get Certified... while it's FREE!

### Augusta Tech Offers Free WorkKeys Testing & Certification During Spring Semester

Due to a grant, we are able to offer WorkKeys assessments to students and recent graduates (five or less years) at no cost until grant funds are spent. Your WorkKeys scores may lead to a nationally-recognized credential. A **\$75 value**, these assessments measure applied math, workplace documents and graphic literacy skills. Many local jobs require this certification prior to employment.

Nuclear-Related Jobs at SRS and Plant Vogtle

- State and Government Jobs
  - Manufacturers throughout GA and SC
- Nuclear-Related Jobs at SRS and Plant Vogtle

To learn more about the certification, go to [www.act.org/workkeys](http://www.act.org/workkeys)

FREE for a limited time only
